AUSTRALIAN PRUDENTIAL REGULATION AUTHORITY

Section 1: Agency overview and resources

1.1 STRATEGIC DIRECTION

There has been no significant change to the strategic direction of the Australian Prudential Regulation Authority (APRA) from that outlined in the *Portfolio Budget Statements 2008-09* (pages 107-108).

APRA is seeking an additional \$8.3 million through Appropriation Bill (No. 3) 2008-09. This relates to an additional \$9.0 million for the global financial crisis – additional funding for regulators and the Treasury measure; \$0.4 million for a reversal of the 2007-08 efficiency dividend; and offset by a reduction of \$1.1 million to be transferred to the Department of the Treasury as part of a reallocation of funds for Standard Business Reporting. The reallocation will have no net impact on the Budget.

There is also a reduction of \$1.0 million in 2008-09 for equity injections as part of a reallocation of funds for Standard Business Reporting. The reallocation will have no net impact on the Budget.

2.1 OUTCOMES AND PERFORMANCE INFORMATION

There has been no change to outcomes and performance information for APRA from that included in the *Portfolio Budget Statements 2008-09* (pages 111-114).

3.1 EXPLANATORY TABLES

3.1.1 Estimates of special account flows

Special accounts provide a means to set aside and record amounts used for specified purposes. Table 3.1.1 shows the expected additions (receipts) and reductions (payments) for each account used by APRA. The corresponding table in the *Portfolio Budget Statements 2008-09* is Table 3.1.3.

3.1.2 Estimates of variations to Average Staffing Level

Changes in Average Staffing Level (ASL) are presented in the Portfolio Additional Estimates Statements at the whole of agency level to demonstrate any movements since Budget.

3.2 BUDGETED FINANCIAL STATEMENTS

3.2.1 Analysis of budgeted financial statements

Budgeted departmental income statement

The budgeted departmental income statement (refer Table 3.2.1) shows an increase in 2008-09 appropriations from \$98.7 million, as disclosed in the *Portfolio Budget Statements 2008-09*, to \$107.1 million; an \$8.4 million change. The increase reflects the impacts of additional estimates, as shown in Tables 1.3 and 1.4.

\$45.5 million is sought across 2008-09 and the forward estimates to meet the government's budget measure for the global financial crisis — additional funding for regulators and the Treasury.

APRA's funding to support its contribution to Standard Business Reporting (SBR) has been reduced by \$1.1 million, and is fully offset by a corresponding reduction in 2008-09 related SBR expenditure.

Budgeted departmental balance sheet

The budgeted departmental balance sheet (Table 3.2.2) shows that APRA will maintain sufficient financial assets to meet all employee and supplier commitments as and when they fall due.

Continued investment in core supervisory and corporate infrastructure, coupled with investment in SBR, will see non-financial asset balances increase in 2008-09 and beyond.

Agency Additional Estimates Statements — APRA

Contributed equity increases over 2008-09 and 2009-10 reflect government equity injections for SBR.

Retained surpluses are budgeted to maintain general reserves at a level sufficient to accommodate unforeseen business needs which may arise from supervision of at-risk institutions.

Budgeted departmental statement of cash flows

The budget departmental statement of cash flows (Table 3.2.3) reflects the increase in 2008-09 appropriations as detailed in Tables 1.3 and 1.4.

Departmental statement of changes in equity — summary of movement

Table 3.2.4 shows the expected changes in equity between 2007-08 and 2008-09. Note that the opening 2008-09 position is some \$3.4 million higher than that reflected in the *Portfolio Budget Statements 2008-09* reflecting asset revaluations completed in the last quarter of 2007-08.

The main item of change across 2008-09 will be the reduced equity injection related to SBR.

Schedule of administered activity

Schedule of budgeted income and expenses administered on behalf of government

The schedule of budgeted income and expenses administered on behalf of government (Table 3.2.5) shows the amounts APRA collects in supervisory levies from the finance industry on behalf of the government under the *Financial Institutions Supervisory Levies Collection Act 1998*. In addition to the amount required to fund APRA, the levies also include amounts to fund the activities of the Australian Taxation Office (ATO) for unclaimed moneys and lost member functions and the Australian Securities and Investments Commission (ASIC) for consumer protection and market integrity functions. The expenses shown are an estimate of the amount of levies and penalties that will be waived or written off in the year.

Schedule of budgeted assets and liabilities administered on behalf of government

Table 3.2.6 refers to amounts of administered income that may not have been collected at year end. The balance at 30 June 2008 reflected disputed levies which have subsequently been resolved and collected.

Schedule of budgeted administered cash flows

As indicated in the schedule of budgeted administered cash flows (Table 3.2.7), the cash collected is swept daily from the APRA account to the Official Public Account, from which APRA, in turn, draws down the amounts appropriated to it by the Parliament, and applies these as shown in Table 3.2.3.

Agency Additional Estimates Statements — APRA

APRA does not administer any non financial assets on behalf of the government.

Notes to the financial statements

Basis of accounting

The financial statements have been prepared on an accrual basis in accordance with historical cost convention.

Departmental

Budgeted departmental statement of financial performance

Revenues from Government

APRA is funded by a special appropriation for levies and late payment penalties collected under the *Financial Institutions Supervisory Levies Collection Act 1998*. The revenue reported by APRA is net of the levies retained in the Official Public Account to fund ASIC for consumer protection and market integrity functions, and the ATO, for unclaimed moneys and lost member functions.

Other revenue

Revenue from rendering of specific services is recognised by reference to the stage of completion of contracts or other agreements. Revenue from licence fees is recognised on receipt of the application and licence fee.

Note that current period reported revenue may include amounts for past years' levies and penalties as legislative restrictions require the lodgement of annual returns by institutions to APRA before billing can occur.

Depreciation and amortisation

APRA's depreciation expense remains in balance with the capital program aimed at maintaining APRA's processes and infrastructure to an appropriate standard.

Budgeted departmental statement of financial position

Financial assets

Receivables include levies invoiced but still outstanding at the financial year end and accrued revenues, being fees prorated over the periods to which they relate.

All accounts receivable are recorded at their estimated recoverable amount.

Non-financial assets

Non-financial assets include leasehold improvements, furniture and fittings, computer hardware and office equipment. All of the foregoing assets are shown at fair value. Intangible assets comprise capitalised software, including works in progress and are shown at cost. APRA does not own any land or buildings.

Other non-financial assets include prepayments.

Agency Additional Estimates Statements — APRA

Provisions and payables

Provisions and payables represent liabilities for miscellaneous accruals and employee benefits, including accrued salary and leave entitlements, provisions for making good leased premises and payments to trade creditors.

Equity

Contributed equity of \$3.1 million at 30 June 2008 represented the net value of assets and liabilities transferred from the Reserve Bank of Australia and the Insurance and Superannuation Commission on the formation of APRA on 1 July 1998, less an amount of \$2.1 million returned to the Consolidated Revenue Fund as a return of unused appropriation in 2004-05. Contributed equity is planned to increase by \$0.9 million in 2008-09 and \$0.8 million in 2009-10 reflecting capital injections related to SBR (Table 3.2.4).

Revenues

Non-taxation revenues are the levies and late payment penalties collected under the *Financial Institutions Supervisory Levies Collection Act 1998*. The revenue reported in this statement is higher than that reported by APRA in the budgeted agency statement of financial position reflecting the amount retained in the Official Public Account to fund ASIC and ATO activities described above.

Note that current period reported revenue may include amounts for past years' levies and penalties as legislative restrictions require the lodgement of annual returns by institutions to APRA before billing can occur.

Expenses

Actual waivers and write-offs are the net position after adjusting for movements in doubtful debt provisions.
